### 2. ACTION ITEMS:

- A. Call or write our legislators and tell them: 1. Do not support amnesty for illegal immigrants; that you do not want it in a comprehensive bill nor in incremental bills that break it up. VOTE NO PERIOD! 2. Do not get rid of the filibuster.
- B. Post on social media platforms that Stacey Abrams admitted to GOP senators not only that voter ID laws were not racist, but also that she supported the common sense election security measure.
- C. Google Hillsdale College and go to their website. Click on "Imprimis" at the top of the page. Click on the article "Critical Race Theory: What It Is and How to Fight It." Remember that knowledge is power! You need to understand what the left is trying to teach in our public schools. Read it and spread the word. (There is a paper with bullet points on this topic on the information table near the sign in table. It can act as a reminder, but the article in Imprimis it makes much clearer.)
