8. Debbie's legislative report:

"Hello everyone. It is time to round up those petitions and get them to the Governor and the legislative bodies of the Senate and State House. These petitions will encourage elected officials to pass effective laws to curtail Critical Race Theory in Georgia schools. Twenty-two states have passed legislation. Georgia has not. During October, the legislative bodies polish up the legislative agenda. This is the last shot before we vote for a new Governor in 2022. Please be aggressive in getting signatures statewide and through your clubs and neighborhoods. Call and write your elected representatives. It matters. This is a wake up call for Georgians."

Please send to Debbie Rauers at [drauwers@aol.com](mailto:drauwers@aol.com) or to her address listed at the podium.
