6. As you probably know, Bill Edwards morning radio program has been cancelled by iHeart Media. After signing a 3-yr. contract last November, he was suddenly let go. Those are the only details I have. He has always been so supportive of our events by sharing them with his vast audience. If you would like to express your disappointment or displeasure, you could email the regional manager, Dan Lankford at danlankford@iheartmedia.com or call him at 912-964-7794. If you would prefer to express yourself by letter, you can write Bob Newman, the program manager for WTKS and mail it to him at 245 Alfred St. Sav'h 31408 or call him at 912-898-6968. Our conservative voices are being silenced even on a local level!!!

7. Our next luncheon will be held at the Savannah Country Club on August 3rd and we will go back to our regular time. Social time will be at 11:30 with the meeting starting promptly at noon. The cost is \$35 per person and the food should be excellent. **Please make your reservation by Monday, July 25th** so we can provide a headcount for the club. Our speaker will be announced in another week or two. We are waiting on confirmation. Remember that you won't be able to make an informed decision about future venues unless you've tried them.
8. Please inform one of your officers if you would like something added to the announcements for August. We appreciate your input!
