Bobo Mullins and I are both RLG Graduates for the Class of 2022. We have learned so much and are excited to share!!

Our mission... "To fill the ranks of Georgia's Republicans with trained leaders: people who are committed to the tradition of full participation in the political process, people who believe in Republican principles, and people who are willing to be or support candidates, to serve as state or local appointees and/or to work building the Party's success at the grassroots level."

Senator Paul D. Coverdell

We are the "hosts" of the Savannah session in December and are responsible for fundraising to reduce the cost to the RLG class.

For anyone willing to donate, checks can be made out to "**Republican leadership for Georgia**" and mailed to 75 Telford St. Savannah Ga 31407 and I will send them up to the RLG vice chairman.

As alumnus, I am also responsible for nominating Chatham County residents to be participants in this training program. If there's anyone you know that would benefit from attending, let me know their name and what they've done for the conservative movement and I'll be glad to submit them.
