Forward by Daniel Piper It's about the Muslim Brotherhood, the most dangerous terrorist group that is alive and well and is operating inside the United States. The Real Anthony Fauci by Robert F. Kennedy, Jr. It has now been made into a documentary.
 11. Coffee and Covid has been recommended before, but the one from last Friday was excellent. It is the prescription to fix everything we've experienced in the last two years. If you go to coffeeandcovid.com, you can read the entire presentation or you can email me and I'll forward it to you. The simplified Rx is as follows:
 1. *Pass state laws replacing electronic voting machines and scanners with watermarked, serialized paper ballots.*
 2. *Pass a short, plain federal law revoking vaccine manufacturer liability shields, so they have the same liability as all other drug makers.*
 3. *Follow C&C's Four-Phase prosecution pathway to hold the criminals to account.*
- That's it! It's simple. It's straightforward. It's easy to explain. It's easy to advocate for. It's easy to run on. **Only support candidates who agree to work toward those three goals.***

12. We will be voting to approve the following slate of officers:

Pres., Patrice Cole; VP, Mary Ellen Sprague; Sec., Cameron Spencer; Treas., Francine Wright

*If any nominations are made from the floor, we will vote by secret ballot at the Dec. mtg.

13. Our next meeting is Dec. 7th and we will be helping Toys for Tots. Please bring an unwrapped game or toy or monetary gift.

IF YOU HAVE NOT YET VOTED, MAKE SURE YOU GET TO THE POLES TODAY, TOMORROW OR FRIDAY DURING EARLY VOTING. If not, VOTE ON TUESDAY, NOV.8TH!!!!!!!

May we all pray for a red, tsunami so we can take back the House and the Senate!

May you all have a wonderful Thanksgiving with family and friends!!!!!!
